

RE/MAX of New England Races for the Cure and Raises More than \$14,000

Boston, MA (September 28, 2009) - RE/MAX representatives, family, and friends showed their support at the 17th Annual Susan G. Komen Massachusetts Race For The Cure® on Saturday, September 26th at the Seaport World Trade Center Boston.

Nearly 80 RE/MAX agents crossed the finish line this past Saturday along with thousands of participants in the 5k race to help raise over \$700,000 and build awareness for breast cancer. The RE/MAX New England team, a regional sponsor for Race for The Cure, raised \$14,000 to benefit breast cancer research, education, screening and treatment.

“RE/MAX of New England is a proud supporter of the Susan G. Komen Race for the Cure,” said Jay Hummer, Executive Vice President and Regional Director of RE/MAX of New England. “It’s great to see so many of our agents and their families participate in this worthy event.”

Partners since 2002 in the fight against breast cancer, RE/MAX is proud to be a national sponsor of the Race for the Cure Series. In addition, RE/MAX Associates continue these efforts, making a difference in their communities by participating in the Sold for the Cure™ program which allows RE/MAX offices and Associates to support Komen for the Cure and its vision of a world without breast cancer. RE/MAX Offices and Associates can designate homes as a Sold for the Cure™ properties and make contributions to Susan G. Komen for the Cure with each closed transaction.

On October 4, 2009, RE/MAX and the New England Patriots will “Tailgate for the Cure” at Gillette Stadium. Komen and RE/MAX volunteers will be inside the stadium at several locations providing educational collateral and collecting donations. The Patriots have agreed to match the donation collection up to \$5,000.
